About

I'm a very self-motivated, eager to learn artist who loves helping others. I've recently graduated from the Rhode Island School of Design. I have an incredibly strong grasp on the Adobe Suite, and have spent much time in various 3D modeling programs. I've also had a lot of practice programming in C# for Unity for over 3 years.

Experience

3D Modeling Freelancer
May 2023 - Current

Working with clients to deliver 3D game-ready assets using a variety of tools like Substance Designer, Blender, and Photoshop.
